BAR STORY

1NUL8 Meent is the place on the Meent where Rotterdam comes together. What started in 2012 as a wine bar has grown into a restaurant, bar and club in one: a relaxed spot for a good glass and great food during the day and evening, and the place where the night really begins at the weekend. The bar takes its cocktails seriously: fresh signatures and classics with a twist, mixed with real craftsmanship. The warm interior with rattan lamps and the terrace on the Meent make it a place where you easily linger, whether you come for drinks, dinner or a cocktail with as much character as the street itself.
